1.6 School History

St Mary’s School is a vital part of the Catholic Parish of St Mary’s, Northampton. As a Catholic School Community we strive to develop Gospel Values that enable our students to become vibrant members of the wider community.

St Mary’s School Northampton began on or near the present site in 1868. Until 1989 St. Mary’s was administered by the Presentation Sisters. The current buildings were established in 1964 and further extensions were completed in 1994. In 2004 renovations were completed to the school including disabled access into the school and new student toilet facilities. In 2009 the undercover walkway at the front of the school was completed, in 2010 we built our new Library, multipurpose, office facility which we moved into at the start of the 2011 School year.

2. Routines and Procedures

2.1 School Office Times

The school office is located in the new administration building at the front of the school.
Office hours are:
Monday, Tuesday, Wednesday, Thursday, Friday – 8.00am to 4.00pm

Please direct any administrative queries you may have to the School Office staff. The office keeps copies of the school newsletter and any other correspondence sent home. All appointments to see the Principal should be made through the School Office.

2.2 School Hours

Supervision commences 8.30am
School commences 8.50am
Morning Recess 11am – 11.20am
Lunch 1pm - 1.40pm
Dismissal 3.10pm
Supervision ends 3.30pm

Teacher supervision will begin at 8.30am and conclude at 3.30pm. Children should not be on the school premises outside these hours without the approval of the Principal.
2.3 **Before & After School**
Within legal guidelines, the school does not accept responsibility for children who are on the school grounds before 8.00am or after 3.20pm. Children and parents who are at school before 8.15am are required to sit in the School Covered Area. Children are not permitted to wait outside their classrooms during this time.

2.4 **Changes to School Hours**
Any changes to school hours will be advertised in the school newsletter and the term calendar.

2.5 **Classes**
Due to enrolment numbers St Mary’s School has composite classes, thus it is important that parents understand how the classes are split. When changes are necessary the classes are divided by the Principal, following extensive discussion with the class teacher, in order to establish balanced classes with respect of the needs of the children.

All the current education research shows that children work most effectively in small groups; therefore, the effect of splitting grades is minimal. It is worth noting that in a ‘straight’ grade the individual ability variation can exceed two years above or below that grade level.

2.6 **Kindergarten**
Kindergarten is the first year of our school and as such, your child, once enrolled at St Mary’s will be able to complete his/her primary education within our school. Children are able to attend Kindergarten 5 days per week.
The Kindergarten class ceiling will be held at between 9-15 students per year depending on numbers in other junior primary grades.

2.7 **Reporting**
We report to parents using a variety of strategies.

- End of each Term K/PP Portfolios will be sent home.
- End of Term 2 and 4 Reports will be sent home.
- End of Term 2 Compulsory Parent/Teacher Interviews
- End of Term 4 Requested Parent/Teacher Interviews
- Yr1-6 Test booklets sent home once a term.

2.8 **Principal and Teaching Staff**
The Principal and teaching staff are responsible for the daily operation of the school and for establishing and implementing the educational policies of St Mary’s School. Specific problems relating to individual children’s learning difficulties should be addressed to the teacher concerned or the Principal through an appointment.

2.9 **Student Absences**
Whenever a student is absent, a written explanation from a parent must be presented to the child’s teacher on the day of return to school. You are required by the Education Act of W.A. to inform the class teacher in writing of reasons for your child’s absence the first day the child returns to school.
A note of absence could be as simple as:

Dear Mrs Thomas

Elizabeth Goody was absent from school on Thursday, 6 May 2014 because she had a sore throat. Thank You    Mrs N Goody    13 May 2014

A child will be permitted to leave the school during school hours only when a parent makes a written request or calls personally for the child. Any child leaving the school during school hours must be collected from the classroom by an adult (a parent/guardian or their appointed representative) as they will not be permitted to wait on the roadside. Please sign your child out in the book at the front office.

You are requested to notify the school as soon as it is known that a child’s absence is likely to exceed one week. A long term planned absence (eg. holiday) should be referred to the Principal and class teacher at the earliest possible opportunity.

2.10 Parent Participation In The Life Of The School

The school recognises the importance of you, the parents, as the prime educators of your child and the need to effectively involve you in the school’s programme.

You are encouraged to volunteer your skills and time whenever the opportunity arises. It is hoped that you will participate in at least some of the following areas:

Attending school related Masses, parent groups, Library, classroom help, excursions, busy bees, fundraising, social functions, supporting your children at functions, Parent/Teacher meetings, P & F meetings, nominating for the School Board and sports coaching.

2.11 Parent/Teacher Communication

We respect the right of all our parents to discuss their child’s progress with their teacher. Teachers do appreciate an appointment being made in order to make best use of the meeting time with you. Normally these times are after school.

2.12 Parents Visiting

All parents and other adults wishing to see children between the hours of 8.30am and 3.00pm must first report to the School Office. Here you will be asked to register your name and reason for the visit by signing the Visitors Sign in book and then returning to the office when you leave to register the time you left.

If your child/children need to leave the school to attend appointments the must be collected by a parent or guardian and are required to sign the “Student Sign In and Out Book” and again if students are returned to school register time returned to school in this book.

2.13 Custody Matters

The parents of a child of marriage are, under Family Law, both guardians and custodians of their child. This gives both parents equal rights and responsibilities in respect to the child, both parents remain guardians and custodians of their child, though in reality the child may only be living with one of the parents. Where there is an operative parenting order, there may be separate guardianship and custodial roles for the parents. Parents are to inform the Principal if special circumstances exist pertaining to the guardianship of children.
2.14 Consent
On enrolment, parents (or guardians) will be asked to complete and sign a form giving the school permission to seek any necessary medical assistance for a child while in the care of the school.

2.15 Lost Property
All items of clothing and other property belonging to children must be clearly labelled with the child's name. “Lost Property” boxes are located in the office and children may look for lost items there. At the end of each term any items not claimed will be given to the Uniform Shop for resale.

2.16 Assemblies
Assemblies are held each week on Monday from 8.50am – 9am and Friday afternoons four times a term on a Friday from 2.50pm - 3.10pm. Parents are encouraged to attend the Friday assemblies as they are an important community building activity. These events will also be advertised in the school newsletter.

2.17 Newsletter
The School newsletter is produced every second Thursday and are sent home with the students and can also be sent home electronically on request. Through it, parents are informed of all forthcoming events, meetings etc. Other information about which parents need to be aware is also communicated via the newsletter. It is very important that time be taken to read the newsletter so you are informed of what is happening in the school.

4. Enrolment Information

4.1 Rationale

St Mary’s School exists to further the mission of the Church. In Western Australia, the Mandate of the Bishops requires the Catholic Education Commission of WA to make Catholic school education available to all Catholic children, insofar as this is possible.

4.2 Principles

- St Mary’s School has a preferential option for the poor and marginalized.
- St Mary’s School fulfills its mission in partnership with parents, who are the first educators of their children.
- St Mary’s School has a responsibility to fulfill the requirements of relevant Federal, State and Local Government laws and legislations.
- St Mary’s School will accept all applications for enrolment.
- The acceptance of an application form does not guarantee an enrolment interview or offer of enrolment.
- Enrolment at St Mary’s School shall only be offered where there is age appropriate accommodation and the requisite resources to respond to any specific needs of the student.
- Enrolment at St Mary’s School does not guarantee enrolment at any other Catholic school.
4.3 School Enrolment Criteria

1. Catholic students from the St Mary’s School Parish with a Parish Priest reference (The necessary form is included with the Enrolment Form)
2. Catholic children from outside the Parish with a Parish Priest reference
3. Other Catholic students
4. Siblings of non-Catholic students
5. Non-Catholic students from other Christian denominations
6. Other non-Catholic students

St Mary’s school works in partnership with parents who are the first educators of their children.

Please note:
Acceptance of an Enrolment form or offer of enrolment does not guarantee an enrolment interview or offer of enrolment. Enrolment in St Mary’s School does not guarantee enrolment in any other Catholic school.

NB.

- Parent or Guardians who knowingly withhold material information relevant to the application/enrolment process may have their enrolment terminated or refused by the Principal on these grounds.
- Parents in the enrolment form must disclose any known special educational needs of the prospective student, any known particular medical condition and or health care requirements of the prospective student.
- Parents must provide a copy of any Parenting or Restraining order that applies to the prospective student and fully and truthfully complete the application for enrolment form.

4.4 School’s Schedule of Fees and Payment Policy

Please refer to our School Fees: Setting and Collection Policy in full for all information regarding this matter. A brief outline of the policy is shown below.

St Mary’s School Board sets school fees. At the February Meeting of the School Board, the Treasurer announces any change in fees for the year and the schedule is then published in the next School Newsletter. The Fees schedule includes:

- Annual tuition fees for education
- Amenities fee for Art/Craft and transport
- Building Levy (per family) to help service capital debts
- Excursion Fee - inclusive of costs for all incursions each year (such as puppet theatre/musical theatre etc)
- Insurance levy for 24 hour cover

Fees are sent out at the beginning of each term and are to be paid in one of the following ways:
- One annual payment
- Four times a year (one per term)
- A direct debit facility is also available which does not attract any fees or costs.

Payments can be made weekly, fortnight or monthly. Please discuss these options with the Principal.
4.5 Health Care Card Scheme
Catholic schools in Western Australia provide eligible current Health Care Card holders a discount on tuition fees only. A current Health Care card needs to be sighted and an additional Rebate form needs to be filled in. Please note that not all Health Care Card holders are eligible. Please contact the office if you have any queries.

The inability to pay school fees does not preclude any child from attending St Mary’s School. Parents who are unable to access the Health Care Card Scheme but would still have difficulty in making school fee payments, should see the Principal to discuss the availability of alternative fee payment arrangements.

4.6 Timeline for Processing
At St Mary’s School, Kindergarten applications will be taken at all times. Interviews will be scheduled early in Term 3 of the year before and written notification of acceptances sent out as soon as all interviews have taken place. Other applications will be taken and interviewed as per ‘Interview Criteria’ as soon as a place becomes available. The interview process will follow that outlined in this document.

4.7 Parental Obligations
Parents are responsible for supplying information, to the best of their knowledge, in relationship to the prospective students in the following areas:
- Any special needs or requirements
- Any particular medical conditions and/or health requirements
- Parental or Restraint Order
- Fully completed the enrolment form

4.8 Breach of Enrolment
If a parent or guardian knowingly withholds information relevant to the application/enrolment process then the Principal reserves the right to refuse or terminate enrolment on that ground.

4.9 Enrolment Procedure
Parents wishing their children to be educated at St Mary’s School need to complete an enrolment form available from the office or website. Once the form is completed an interview with St Mary’s Principal, Mr Justin Tuohy needs to be organised. This is not a confirmation of enrolment and you will be advised by letter if your enrolment has been successful.

Each year during the months of August and September, the school will advertise in the school newsletter, parish bulletin and, if necessary, the local paper for enrolments. However, this process will occur only if the waiting list does not exceed 15 of the above and that the total class numbers for the following do not exceed 26 in the junior primary classes and 30 in all other classes.

Names may be submitted to the school secretary at any time prior to the month of August to be entered onto the waiting list.

Enrolment for grades other than Kindergarten will be on application by the parent to the Principal who will determine eligibility for entry to our school providing that a position is available for a new student in the appropriate grade in accordance with the priorities stated above.
Parents who choose to apply to enrol a child at St Mary’s school accept:

- That they abide by the policies and practices established and developed by the Principal and the School Board whilst their child/children are enrolled in St Mary’s School. If you are unsure of any policies or practices please consult the Principal.
- That they have an obligation to fully support the fund-raising ventures of the Parents and Friends (P & F) organisation. The P & F funds provide the additional amenities necessary for your child’s education that supplement what is provided by the School Board’s budget.

4.10 Enrolment/Admission Information

It is vital that this information is regularly updated, as there have been a number of occasions where it has been found to have changed.

This form requires:

a) Information for daytime contact should accidents occurs. (In these cases, we attempt to first contact parents then the EMERGENCY CONTACT number.)

b) Permission to act on the parent’s behalf if contact cannot be made.

5. School Fees

5.1 Procedures

Annual fees and charges including increases are to be set by the School Board in accordance with CECWA advice provided during the budget process each year. The details of all additional charges and information relating to the school fees policy follow below.

<tr>
<td>4th child</td>

</tr>
</tbody>
</table>

The usual family discounts will also be offered for Kindergarten and Special Education students at St Mary’s.

The fees collection at St Mary’s will follow the following procedure:

- Communication of fees policy at enrolment time
- The fees for the year will be issued at the beginning of Term 1 each year.
- Accounts may be paid as one payment or 4 payments (one each term) or a fortnightly or monthly direct debit payment.
- Parents experiencing hardship are contacted and a negotiated method of payment is worked out, taking into account concessions and remissions when and where required.
- There is always to be recognition of the Church’s preferential option for the poor and disadvantaged.
- Accounts are reissued when the initial account is not paid. If fees are still not paid then a follow up phone call is made checking on hardships or the reason for non-payment. At this stage parents are requested to meet with the Principal to discuss the payment of the school fees.
Where parents have made no effort to pay fees the following procedure is to be followed:

- When necessary, at the end of each term the School Board Fees Committee (Principal, Treasurer and Parish Priest) meet and decide on what further action (if any) is required.
- Documentation is kept (in Principal’s office) of each attempt to resolve the problem of outstanding fees.
- Parents are notified that the services of a debt collection agency or solicitor will be engaged to recover fees.

### 5.2 School Fees 2015

7.7 Homework
Children will be set homework four nights per week to encourage the development of good study habits. Children are also encouraged to be responsible for completing homework themselves, and having their diary signed by a parent at least once per week. Parents should sight the homework to ensure it has been completed prior to signing the diary. Contact should be made with the class teacher if any inconsistency is noticed in this area.
Happy Homework Hints
- Talk about the homework with your child
- Show interest, enthusiasm and support
- Provide a suitable study area
- Communicate realistic expectations for standards of homework
- Ensure that your child knows ahead of time when homework should be started each night and how much time should be spent on homework
- Praise your child’s efforts at homework
- Encourage your child to master material, persist at homework and be curious about what they are doing.
- Communicate with your child’s teacher if problems occur or if your child’s homework is taking longer than the recommended time to complete.

7.8 School Lunches
Lunches may be ordered daily from the BP service station by placing an order (on an envelope, money inside) at school. The price list is available from the office or from our website. A school fridge is available for student lunches and drinks. Please label lunch boxes and drink containers.

8. SAFETY & HEALTH

8.1 General Illness
If your child is ill then please consider carefully the health of your own child and the health of others in making your decision about sending them to school. Please also ensure that after a period of illness, children are fully recovered before they return to school. If a child falls sick during school hours then you or your emergency contact will be phoned.

8.2 Student Records/Emergency Contact
At the beginning of each New Year all families are required to complete an information form, indicating addresses, telephone numbers and emergency contact numbers so that our records are kept up to date. All forms need to be returned promptly to the school office.

Please ensure that all family and medical information is kept up to date by informing the office in writing of any changes to the following:
- Home address and telephone number
- Parents’ work telephone numbers
- Parents’ mobile telephone numbers
- Family doctor’s telephone number
- Emergency contact telephone numbers (other than parents)

a) Phone call
b) Personal visit to the office
c) In writing per your child

### 8.5 Communicable and Infectious Diseases

A number of regulations have been drawn up by the Health Department on the premise that children who have been ill with an infectious disease will not return to school until they have fully recovered. ### 8.6 Evacuation Plan

If you are in the school classroom or school grounds during an emergency please follow the teacher as they activate their Emergency Plan which is visible on the inside door of all buildings. The Assembly area for all staff and students is the basketball court.
8.7  Medication
In keeping with Catholic Education Commission W.A. and Education Department Policy we do NOT give ANY medication to students without the written permission of Parents/Guardian.

If your child requires occasional medication during school hours, for example antibiotics, then a form from the School Office outlining dosage, the reason for administration and the dates and times for the medication to be taken, must be given to the classroom teacher. The medication must not be self-administered. A staff member will supervise the administration of the medication but cannot give the medication to a child.

8.8  “No Hat = No Play Policy”

To safeguard the children from the harmful effects of solar radiation we have a “No Hat = No Play” policy throughout the year. Children are restricted from playing in the sun if they are not wearing a suitable hat.

8.9  School Dental Service
Our school is serviced during school hours by the Dental Health clinic (situated at Bluff Point Primary School. Ph.99231289). A dental van does visit this area. Parents will be notified when it is available.

8.10  School Nurse
A school nurse, Mary-Kate Capp, visits St Mary’s School.

8.11  Sickness
If children are not well they should not be sent to school. In the case of a serious accident or illness at school, you will be contacted to collect the child.

8.12  No Smoking
Smoking is not permitted within any Catholic school building, grounds (including land up to the boundaries on which building are located), either during or outside of school hours.

9.  Special and Extra Curriculum Activities

9.1  Celebration of School & Class Liturgies
To begin the school year and throughout each term, the school community celebrates with whole school liturgies. Masses will be held throughout each Term. Holy Days, Special Feast Days and Special Sunday Masses appear on the calendar. The newsletter also informs you of such occasions. Sacramental celebrations and programmes are also highlighted. We welcome and encourage parents and friends to celebrate these occasions with us.

9.2  Specialist Areas
In 2015 the following specialist areas will be offered at St Mary’s:

- Physical Education – 50 minutes per week
- Information Technology – 50 minutes per week
- Science – 50 minutes per week
- Art – 50 minutes per week
- Music – 50 minutes per week
9.3 **Sport**

A number of teams represent St Mary’s in various inter-school programmes. These are coordinated by our Sports Coordinator, Daniela Miotti. These include events during our summer and winter sport programmes. There are annual swimming and athletics carnivals.

The focus of the sports programme is on participating and skill development rather than competition.

All students must wear the school sports uniform on the day indicated in the school newsletter unless a note accompanies your child giving reasons for this not being the case.

Children must wear the correct school uniform when representing the school. During school faction carnivals a coloured shirt will be supplied for each child to wear on the day.

For weekly sports days the children are to wear their sports uniform.

9.4 **Cultural Events and Excursions and Incursions**

Excursions and incursions provide the students with valuable learning opportunities that cannot normally be experienced in the classroom. Where a visiting group provides a learning experience for the children at school, this is known as an incursion. This may include such activities as a theatre performance, science demonstrations or art workshops.

An excursion involves travel to a venue or activity away from the school. Class excursions are held throughout the year and are organised by the class teacher. Teachers will notify parents about any forthcoming excursions. Class teachers will organise parental assistance for their excursions, based upon the nature of the activity.

Please ensure that permission notes are returned promptly to the class teacher as it is very disappointing for children to miss out on these experiences. The annual fee covers the cost of excursions and incursions.

9.5 **Excursion Permission Forms**

You will be notified of these events in the newsletter or a note. If you do not wish your child to attend these events you will need to contact the office.

The form signifies your approval and permission for your child/children to attend the functions appropriate to your child/children’s education as determined by the school. If this note is not returned, your child will not be able to attend the excursion.

9.6 **Camp**

Camps provide unique and valuable educational opportunities for the children. It is traditional for Year 5/6 students of St Mary’s School to attend an extended camp as a climax to their primary school social education. These are wonderful experiences for the children, building their self-esteem, developing an understanding of the gifts and talents within the class, and helping each child develop their leadership skills. The camps are always fun, educational and certainly memorable for everyone involved.
10. School Services

10.1 Bookclub
The Ashton Scholastic Book Club order forms will be sent home and children may buy any of these books by returning the order form and money. Books will be distributed following delivery to the school. Orders can also be paid online or cheques should be payable to:
“ASHTON SCHOLASTIC BOOKCLUB”
A small percentage of sales is returned to the school in the form of book purchases which enlarges our library collection.

10.2 Resource Centre (Library)
Children are encouraged to borrow books on a regular basis, and parental assistance is requested to ensure that returns are made in good condition. All children are to have a library bag (available from the school office) at the beginning of the school year.

It is hoped that the information gathered in this handbook will assist our families in understanding the aims, routines and procedures of St Mary’s School, and enable home and school to work together for the good of all students in our community.

Parents are invited and encouraged to be active participants in their children’s education. With this in mind I ask you to send any feedback regarding this handbook to the school. Your input would be greatly appreciated.
