NEWSLETTER

Vision Statement

St Mary's School provides an education that endeavours to equip each child with the Christian values and life skills necessary to meet the challenges of a changing world.

From the Principal...

Dear Parents and Guardians

On Wednesday, we celebrated our first School Mass for the 2019 school year. It was an opportunity to welcome staff and students back to St Mary's School and a fitting manner to welcome Father Larry as our new School/Parish Priest. We are very blessed to have Father Larry as our new priest especially as he is returning to Northampton and is familiar with some staff, the school and the Parish. Father Larry will also be able to share his experiences from Karratha and Geraldton with us. On Sunday 24 March at 8.30am, Father Larry is being installed by Bishop Michael as the new Parish Priest at Mass. All members of the school community are invited to attend and celebrate with morning tea after Mass.

Accompanying this newsletter, for parents of students in Year Three and Five, is a brochure titled, 'NAPLAN Online – Information for Parents and Carers'. This year, all NAPLAN assessments will be online except for the Year Three Writing which will continue to be paper-based. The NAPLAN Online assessment window is from Tuesday 14 May to Friday 24 May. An overview of the assessment schedule can be found in the brochure. As we get closer to the date, we will provide parents with a schedule specific to St Mary's School.

Thank you to all of the parents who have volunteered their help at tomorrow's Busy Bee or offered to do a job at an alternative time. If you have not sent in a RSVP yet, you are still most welcome to come and help out from 8.30am tomorrow. This commitment from our parents and staff reflects the true community of our school and the desire to have an environment that is aesthetically pleasing and safe for our students.

Finally, a BIG shout out to the students of St Mary's School. I have had multiple reports that you have been so welcoming and supportive of our new students. To hear and see it warms my heart. You are living the message of Jesus.

Yours sincerely
Mrs Melissa Marquis

PRAYER

PLENARY COUNCIL PRAYER

Come, Holy Spirit of Pentecost.

Come, Holy Spirit of the great South Land.

O God, bless and unite all your people in Australia and guide us on the pilgrim way of the Plenary Council. Give us the grace to see your face in one another and to recognise Jesus, our companion on the road.

Give us the courage to tell our stories and to speak boldly of your truth.

Give us ears to listen humbly to each other and a discerning heart to hear what you are saying.

Lead your Church into a hope-filled future, that we may live the joy of the Gospel.

Through Jesus Christ our Lord, bread for the journey from age to age.

Amen.

Our Lady Help of Christians, pray for us.

St Mary MacKillop, pray for us.

ANNUAL GENERAL MEETING

Thanks are extended to all family members who attended the AGM on Tuesday 12 February. Your support and attendance is very much appreciated in ensuring that the school and families continue to work together in partnership with the students' best interest at the heart of all decision making.

PARENT/TEACHER EVENING

Thank you to all of the families who came along to the Parent Teacher Evening last week. This year, we trialed a different format for the evening, moving away from the traditional Parent Teacher Meeting where teachers outlined beliefs and practices for the classroom. We presented two information sessions, one on Behaviour Management and Bullying, and the other on Digital Technologies. The reasoning behind the change was to make better use of having the majority of parents in attendance to share the work we have been undertaking and to inform policy information. Classroom teachers have provided all parents with a handout that clearly explains the procedures for the classrooms for 2019. Teachers have also offered parents the opportunity to schedule an interview should further clarification be required or questions arise.

We are seeking your feedback in regards to this new format and for future planning purposes. On page ??? of this newsletter you will find a short questionnaire in regards to your thoughts and opinion. Please complete and return to school by Wednesday 6 March. Names are optional. Thank you.

CHURCH CLEANING

The cleaning of Our Lady of Ara Coeli Church is undertaken by volunteers, many of whom have been on the roster for a very long time. The Parish is looking for new volunteers to come forward to share the work and lighten the load. Are you able to assist? Your name can be placed on the roster for the number of times that suits your life – bimonthly, monthly, fortnightly, weekly. Please give your details to the School Office.

SAINTS BAKE CAFÉ

It's back for 2019! All funds raised will go towards part payment of the Year Six Leavers' Shirts. The details are:

- \$1.00/item

Wednesday 20 March	Sausage Rolls/Party Pies
Wednesday 27 March	Cupcakes

Wednesday 10 April	Ice Cream Cones

PUPIL FREE DAY

A reminder that Tuesday 5 March is a Pupil Free Day and there is no school for the students. Staff will be participating in professional development relating to Brightpath. Brightpath is where teachers compare their students' writing samples to calibrated exemplars to arrive at a scaled score. The process of comparing students' writing samples to the calibrated exemplars promotes reliable teacher judgements. These judgements are comparable across teachers, schools and over time.

In brief, we are asked to imitate the unconditional compassion and love of God. The challenge is great but so is the reward. The more we give to others, the more richly we are blessed.

Online Football Tipping Competition – 2019

Website ESPN AFL Tipping Address: www.footytips.com.au

Password: stmarys6535 Competition Name: St Marys Footy Tipping

St Mary's School would like to thank you, in anticipation, for your support and wish you all the best with your football tipping in the 2019 season. The monies raised will assist the school in many ways. The Rules and Regulations of the competition are listed below.

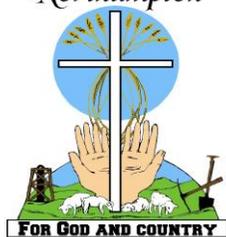

Prizes

1. A weekly prize of \$50 will be awarded to the player who selects the most winning teams in each weekly AFL round and has the closest winning margin in the nominated game i.e. the first game played in each round. In case of disputes, see Point 7 in the Rules.
2. The number of correct winning teams and tally of closet winning margins selected throughout the season, not including the finals, by each player will be accumulated. The player with the highest number of winning teams will win \$800. The player who selects the second highest number of winning teams at the end of the home and away AFL season will win \$300. The player who selects the third highest number of winning teams at the end of the home and away AFL season will win \$100. In the event of multiple first place winners, first and second place will be culminated and divided between the first place winners and second place will be award \$100.
3. The cost per registration is \$50. Payments are due by 20/3/19 and can be made by direct payment to BSB: 086 886, ACCOUNT: 508 362 221, or by cash to the School Office. If payment has not been received by 20/03/19 you will be deleted from the competition.

Rules

- Each tipper must submit their tip before the bounce down of each game. Should a tipper not have access to the internet or experience an issue with the website, tips can be forwarded to the administrator at stmarysfootytipping@hotmail.com no later than the start of the round. It is recommended in the Settings>My Preferences section of the St Marys Footy Tipping competition YES is selected to 'Allow the administrator to edit/enter my tips', to ensure you are covered should this instance occur.
- Tippers who do not enter tips for an entire round will be allocated the default score. The default score is the lowest score minus 1. Tippers allocated the default score will never score below 0.
- Tippers who are not confident with online submission have the opportunity to be adopted by a St Mary's School community member. Tips must be provided to your adoptive tipper before 12.00pm of the first day of each round.
- The Weekly Prize: The player who has selected the highest number of winning teams will win the weekly prize of \$50. If two or more players have selected the same number of correct winning teams, the player closest to the winning margin will determine the winner. If any of these players have the same winning margin, the weekly prize of \$50 will be divided evenly.
- The weekly winning players will be notified by email or telephone, and will receive a cash/cheque for the amount of their prize. This can be picked up from St Mary's School Office.
- The weekly winner will be advertised in the school's fortnightly newsletter and on the School Facebook Page.
- All disputes may be forwarded in writing to St Mary's School PO Box 138, Northampton WA 6535. The Football Tipping Committee will discuss the issue and make a decision. The players will be notified of their decision. THE FOOTBALL TIPPING COMMITTEE'S DECISION WILL BE FINAL AND NO FURTHER CORRESPONDENCE WILL BE ENTERED IN TO. Any disputes MUST be submitted within seven days of results of the disputed round being published.
- This year we have four joker rounds, which basically means double points for that round. The Joker Rounds are 3, 9, 16 and 22.

*St Mary's School
Northampton*

The first AFL bounce down is on 21 March this year. While we are getting a warm up for the AFL footy season watching the ladies play, it is a good time to start getting some tippers signed up for our 2019 competition!

Footy Tipping raised \$1 700 towards P&F Camp Funds in 2018. We were down on numbers last year, which we hope to recuperate this year.

The 2019 tipping will be run completely online at the cost of \$50. While we did have some tippers hesitant to use the technology in previous years, many have found it is not as daunting as first thought.

There is still an expectation some people will not be confident with the online tipping process. In an effort not to exclude anyone, the P&F are hoping to find some school community members to 'adopt a tipper' as we continue to work with online tipping. This will entail loading their adoptive tippers tips online on their behalf, which would need to be submitted before 12.00pm on the first day of the round.

We currently have twenty-nine families and the students would benefit greatly if each family could endeavour to sign on as many tippers as possible. We are encouraging tippers to register early because if we do not have sufficient numbers the competition will run at a loss which is not viable.

Being online, we are not restricted by geography. In the past we have had tippers from Perth, Chile and over east. Families, please fill in the details of each competitor and return it to the school as soon as possible, along with the consideration of being an adoptive tipper. This would be greatly appreciated. Please advise if a tipper is not confident tipping online and would like to be adopted.

If there any families are not interested in football and do not wish to be involved in the tipping, they are able to make a donation to the P&F in lieu of joining the competition.
